**1. Summary.** The purpose of this Modification is to incorporate revisions to the Letter of Obligation based both on three years of operational experience for the Most Effective Organization (MEO) and on the significant changes to the Department's Information Technology support which is the award requirement. Therefore, the contents of this modification supersede any equivalent coverage in the Agency Tender which was incorporated by reference into the basic Letter of Obligation (LOO) of November 18, 2005. There are no other changes to the basic LOO except as set forth herein and in the attachments to this modification.

**2. Most Effective Organization Name Change.** The organizational title of the MEO in the basic LOO, 'DOE Information Management Most Efficient Organization, IM-70' is changed to Energy Information Technology Services (EITS). The name change is reflected in block 8 of page 1 of this modification.

**3. Head of Energy Information Technology Services.** Mr. John Dunlap has been designated Head of Energy Information Technology Solutions, to succeed Mr. William G. Lay (Modification 001) by the Office of the Chief Information Officer. Mr. Dunlap will be the signatory official for this modification.

**4. MEO Contracting Officer.** The MEO is authorized a Federal Contracting Officer Full Time Equivalent (FTE) position, series 1102, grade GS-15.

**5. Letter of Obligation Revisions.** The revisions are summarized below.

The Change Order Matrix provides clarification of existing information documented in the original Performance Work Statement (PWS). Work requirements are refined to clearly document work being accomplished by EITS. EITS has refined their cost estimate to take into consideration any staffing modifications required to accomplish the documented work efforts.
